

WCCS~LAYING SOLID FOUNDATIONS FOR A CHANGING WORLD

May 2008

Dear Friends of WCCS,

During our recent observance of school spirit week, the students celebrated ‘retro’ day. They came dressed in the styles of the 50’s to the 80’s—the *olden days*! We were reminded of long-gone fads like ‘Afro’ haircuts, platform shoes, love beads, tie-dyed shirts, and poodle skirts. The outfits brought back memories of everything from June Cleaver to Cher, or Fonzie to the Valley Girls.

That day was a stark reminder of how quickly our styles, technology, and even our vocabularies have changed. In contrast, it also stood as a reminder of the timelessness of the Rock-solid truths and Christian values that we aim to pour into the lives of our students while they attend WCCS. Scripture commands us not to be conformed to this world, but to be ‘transformed by the renewing of our minds.’ It doesn’t take any work at all to morph into the mold of this world. But the renewal process must happen moment by moment, thought by thought. Only an educational system with a Christian worldview can aid the renewing, by intentionally working through every lesson—whether in a computer lab, a math class, or on the playground, to develop Christ followers who are willing to stand against the negative influences of a powerful culture.

In a day when popular opinion, technology, and worldviews change with blurring speed, we have maintained our commitment to provide an environment and instruction that will assist parents and churches in laying a solid foundation of Biblical truth upon which the next generation may build their lives. Will you stand with us, both prayerfully and financially, enabling us to build on this foundation which is Jesus Christ?

Fellow-sponsors of WCCS have agreed to match donations that are received before the end of our fiscal year, June 30th. This would be a great way to double your support of Christian education at Warren County Christian School. Please prayerfully consider what the Lord may be calling you to invest.

Sincerely,

The WCCS Board of Directors
