(This will be the third year that WCCS tuition and fees have remained the same.)

Financial aid may be awarded to families who make application to FACTS on or before May 1, 2011. No financial aid will be available to those who fail to make timely application.

Financial aid will be based upon the recommendations provided through the FACTS screening process. Aid will be awarded only as funds are available. Priority will be given to those determined through the screening process to have the greatest financial need. In order to remain unbiased and non-discriminatory, WCCS is required to strictly adhere to this process.

Families that do not wish to be considered for EITC should still make application to FACTS on or before May 1, 2011. Simply note on your application that you do not wish to be considered for EITC funding but wish to be considered for other sources of aid.

Families that file an Income Tax Extension will still need to make application to FACTS on or before May 1, 2011. FACTS is able to work with estimated income tax information and will help families make application.

You must apply to be considered for financial aid! Families that do not supply a completed application by May 1, 2011 will be required to pay tuition as shown above. No exceptions will be made. Applications are available online at www.factstuitionaid.com or from the WCCS office.
