

W.C.C.S. Newsletter

October 6, 2011

Warren County Christian School 165 Mead Run Rd. Youngsville, PA 16371 814-563-4457

There will be no school Monday in observance of Columbus Day.

We are in need of a volunteer to cover the front desk on Monday's at the school. If you are looking for a way to be involved, this is the perfect opportunity for you. Your duties would include; answering the phones and door, making copies and occasionally dispensing medicine. If you are able to help out, please call or stop by the school and talk to Mrs. Kelley or Mr. K.

LUNCH TIME

Please be aware of what is being packed in your child's lunch. We encourage you to pack nutritious foods so that they are at their peak performance during school. This includes drinks. We prefer that you do not send pop or other sugary drinks. Some kids tend to become very hyper and it becomes difficult for teachers to try and get work done in the classrooms after lunch/recess time.

Nursing Station

Our 7th & 8th grade girls were exposed to bedbugs in their room at the castle during retreat. Even if your children did not sleep in that room, they could have been exposed due to all the bedding and bags having been transported home in the same vehicles. We want everyone to be aware of this so that you can be on the lookout for them in your home or do preventative treatment if that is what you wish. The castle has been told of this so that they could treat their facility as well. Please understand that this is the first time in all the years we have gone to the castle that we have been exposed to anything like this and they are just as concerned as we are.

Thank You

Thank you to everyone who gave items this week for the room showers. If you forgot to send yours in it is not too late. The teachers are willing to receive gifts at any time throughout the year.
