

W.C.C.S. Newsletter September 1, 2011

Warren County Christian School 165 Mead Run Rd. Youngsville, PA 16371 814-563-4457

Paperwork

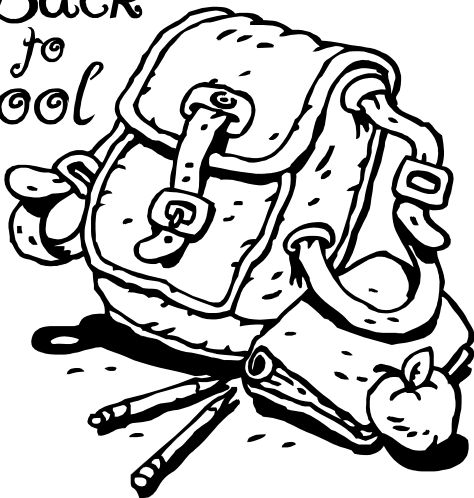

Each family received a packet of paperwork at orientation. If you were not at orientation, the packet was sent home with your student on the first day of school. Please make sure that you give the Pastor Letter to your pastor. He/she will fill it out and return it directly to us. Please make every effort to complete all the other forms and return them to school immediately.

Retreat

The secondary retreat will take place on September 21-23. Registration forms have been sent home with all secondary students. There is a sign-up sheet in the office for needed food items. Monetary donations to help cover the cost of food that has to be purchased locally would also be greatly appreciated. Secondary students will all receive a t-shirt as part of their registration (and they have already ordered them) anyone else desiring a t-shirt can order, and the order form is attached.

Official Facebook Page

W.C.C.S. invites you to “like” our new official facebook page. Search us as “Warren County Christian School” and be sure to choose the correct school. The picture connected to our page is of our blue sign. Since facebook is only supposed to be accessed by people aged 13 or older, we ask that any student younger than 13 refrain from using our page.

We would like the page to be a positive environment where friends of our school can be informed of W.C.C.S. events and needs. Please be sure to invite your “friends,” who may be local or interested in the happenings of the school, to “like” our page.

Be aware – the facebook page will NOT replace our weekly newsletter! Occasionally information may appear both places, but that is not the purpose of the facebook page.

Volleyball Photos

Volleyball Photos will be taken on Friday, September 9, immediately after school. Please make sure that your daughter brings her uniform to school that day. Order forms will be sent home soon. Orders and payment are due when photos are taken.

Youth Volunteer Corps

Y.V.C. is an organization that accepts students in 6th grade and above to do structured, supervised, service learning projects. At W.C.C.S. students will meet 1st & 3rd Wednesdays from 3 – 4 PM and also do a monthly off-site service project. Interested students need to let Mrs. Camp or the office know.

Student Lunches

W.C.C.S. does not have any extra money in the budget to supply plates, napkins, forks, spoons, etc... for your student's lunches. Please make sure that you send in everything that your child needs for his/her lunch each day.

If your child forgets his/her lunch we have a limited selection of microwavable food that is available for \$1.00 each. Payment can be made the following day.

You will be notified of hot lunch offerings as soon as the information is available.

Help Needed

Volunteers are needed for elementary lunch/recess duty several days a week (11:30 – 12:45). Please contact the office if you are able to help.

We are in need of a volunteer who is willing to do the weekly newsletter which goes out to parents on Thursdays. You can work from home and weekly information can be transmitted via e-mail. Anyone who is interested please contact the office.

Desks

W.C.C.S. was blessed to receive a couple of slightly used desks from a business in Warren. Unfortunately, they do not serve the purpose we need. If anyone is interested in an office desk please contact the school.

Community Help Needed

Dan Johnson is looking for someone with heating experience to help hook up a radiant hot water heating system for the New Life Radio ministry in Youngsville. Sweating copper pipes and system testing is what is needed. A small compensation will be provided, but this will greatly aid the radio ministry. This work would need to be done in Sept./Oct. Contact Dan evenings at 716-753-5201 or 488-5392

Box Tops & Campbell's UPCs

Please continue to save Box Tops for Education and Campbell's Labels for Education UPCs for our school. These items can be found on a variety of products – not just food! Please check all packages before discarding them. The rewards programs are worth the small amount of time it takes to clip, save and send them in to the school. A Box Tops flyer is attached.
