Opportunity to Give

On November 4th, we will be having a special chapel with the Elim Bible Institute alumni from the area. The next day, they will be going to serve at the Erie City Mission. They have requested that all interested students bring in gifts of **new** clothes, gloves, hats, and blankets, which they will help distribute at the City Mission. What a great opportunity to warm the hearts and bodies of those who are going through a rough time!
