DRESS DOWN DAYS

This Friday, November 13th, will be a Nonana Dress Down Day for all classes who have earned it by providing their allotted amount for the monthly support of the school's World Vision child. The following classes / homerooms have earned it: Bracken, Beatty, Hoffman, Spetz, Gibas, and Coleman.

Friday, November 20th will be the all school dress down day for the month. Your student may dress down if they have had no dress code violations in the past month.

BASKETBALL

Next Monday, November 16th will be the official beginning of basketball practice. Elementary practice will be held from 3:15-4:15 PM. Secondary practice will be held from 4:15-6:15 PM. According to PIAA rules, secondary students will not be able to practice until their physicals or recertification forms have been turned in.

SENIOR CLASS DINNER

Words cannot express the appreciation extended to ALL who helped with the senior class spaghetti/lasagna dinner last Saturday night. Thanks to the generous donations of time, goods, patience, and prayer, the class was able to raise \$4051.57 toward their senior trip.

GIVE THANKS!

We are most appreciative to the families who have sent in EITC 'blessing cards' so far. We would like to be able to send several to each business that has donated to our scholarship fund, so if you haven't had a chance to fill out a card, please try to do it soon. We'd like to send them in time for Thanksgiving.

If you need another copy of these card, please contact the office at 563-4457.

YVC Meeting

YVC will be meeting on Wednesday, November 18th. Students will be making dog biscuits for the Humane Society.

Basketball Volunteer Needed

Help is needed with basketball practice on weekdays. Please contact the school office if you are able to help or have questions about what the program commitment would be. There will be two practice times – elementary from 3:15 – 4:15, and secondary from 4:15 – 6:15. Help with either or both of these would be greatly appreciated.
